To Our Participating Visual Artists

MAAG is striving for a very professional look to attract all levels of artists as well as patrons. While we are inclusive and welcoming, visual artists want to hang their work in the company of others who also strive for excellence. Artwork exhibited at MAAG must be professionally presented, properly finished, and must be for sale.

Exhibitions at MAAG are curated by our curating committee consisting of professional artists and curators with experience in jurying work for exhibition.

2D art must be professionally framed and wired for hanging. If there is any question about the condition of the work or the framing, MAAG reserves the right to reject the work.

MAAG does have insurance on exhibited works which covers the costs of the materials only. All work is insured only for the duration of the show. Any pieces not picked up after the due dates, are not insured.

MAAG takes a 30% commission on all sold works.
