Submission Guidelines

December 2014

Dear Visual Arts Members and Participants,

The Mt Airy Art Garage (MAAG) is striving for a very professional look to attract all levels of artists as well as patrons. While we are inclusive and welcoming, visual artists want to hang their work in the company of others who also strive for excellence. Artwork exhibited at MAAG must be presented professionally. Art shown must be professionally finished and must be for sale.

Unless otherwise indicated, exhibitions at MAAG are curated by professional artists with experience in jurying work for exhibition.

There may be a time when the curators decide to present work not for sale or made by emerging artists where that exhibition would be appropriately labeled as such. There might be times when we feature student work and label it as such.

2D art must be professionally framed and wired for hanging. If there is any question about the condition of the work or the framing, MAAG reserves the right to reject the work.

All work submitted must be your own original work, and your style should be reflected in the images you submit. We reserve the right to remove any other work should you display it.

MAAG does have insurance on exhibited works which covers the costs of the materials only.

MAAG takes a 30% commission on all sold works in the gallery. Should you, as the artist, have a table, 100% of those proceeds go to the artist.
